"We are honored to invite you to our collector exhibition"... What's the big idea?!

And at this party he is going to show her... Like some sort of stuffed animal?
He is the type of person who is only satisfied with something like a party...

Stupid question, Fukumen.
Isn't it obvious? We are going there!
Then
you will need to dress up properly!
What ?
Yeah looks like it?

But on a larger scale... and they are causing quite the reaction.
A collection of stuffed animals

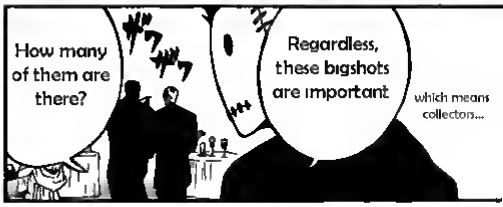
They trade and set-up raids and ambushes
Don't be shy.



How many of them are there?
Regardless, these bigshots are important
which means collectors...

Here he goes again!...
Kawasaki where are you going?! You're going to get in trouble again!

Peace and quiet prevailed in his kingdom on Mount Gunba...

I have never. .

Seems like you really have lived for who knows how many years.
Eh? What's going on?
Look who's talking.
It's still strange.
What?!...
Who is that?
Some important person?
